

## **100% Natural Lump Charcoal**

**Clean burn, easy light, low smoke/ash, medium chunk, medium to high burn/temp**

Wholesale Purchases Only Minimum Order 20 x 20kg, Max 40 x 20kg

General freight only (**You must have forklift at other end**)

Great to do a Co-Op buy with your friends and save over 50% of Retail prices, if kept dry charcoal will last for years.

**\$29 per 20kg Bag + FREIGHT Inc GST**

**Save over \$30 per 20kg on normal retail Costs of charcoal!!**

**NEW !!!**

**Now also available is 10kg Natural Tube Charcoal 100% Natural no chemicals or fillers very clean burn, (in a plastic lined cardboard box) much higher BTU's than standard charcoal and much longer burning, cleaner less ash, just a bit harder to light, great when used in conjunction with natural lump (this is my secret demo charcoal recipe when I do all day cooks at events and demo's !!)**

**\$19 per 10kg Box + Freight Inc GST**

You can mix an order of both products so long as it's a minimum of 400kg in total, (eg 20 x 10kg + 10 x 20kg)

(Freight Prices Shown are per pallet, does not vary for smaller orders) To Order Click Here –
