Sydney Customers Only, Save\$\$\$

\$ 199 inc gst, Summer Special

That's **\$1.99 per kg, Save over \$200+** on Normal retail Costs of charcoal!!

10kg Natural Tube Charcoal 100% Natural no chemicals or fillers very clean burn, (in a plastic lined cardboard box) much higher BTU's than standard charcoal and much longer burning, cleaner less ash, just a bit harder to light, great when used in conjunction with natural lump (this is my secret demo charcoal recipe when I do all day cooks at events!)

This is a year's supply of charcoal for \$199!

100kg of this mix should last most people close to a year if not more!.
