

# See and taste the difference.

*Kamado Cookers™* are fast becoming Australia's most preferred outdoor lifestyle cooking unit. This stunning, weather-proof dome design not only looks fantastic, but can do anything that your regular barbeque or oven can do and much, much, more. *Kamado Cookers™* can be used for grilling, barbequeing, baking, roasting, slow cooking, smoking and even pizza baking when using the *pizza stone*. (Available separately)

*Kamado Cookers™* are hand built in India using traditional tandoori construction methods. This quality design features a spring assisted auto locking lid, components made from high quality stainless steel, a cast alloy adjustable lid, porcelain coated cooking grids, a range of attractive baked enamel coloured finishes and a lifetime warranty on the cooker body. *Kamado Cookers™* are simply a better way to cook.

**KAMADO  
COOKERS™**  
AUSTRALIA

simply a better way to cook
