WHAT A KAMADO COOKER CAN DO FOR YOU

MAKE YOU A GREAT OUTDOOR COOKING CHEF!

You will soon be the envy of all your friends, quite simply food cooked on a Kamado cooker TASTES BETTER!

MAKE YOU THE ENVY OF ALL YOUR FRIENDS!

Anyone can own another common mass produced steel gas grill not everyone has a UNIQUE great looking compact hand built Kamado Cooker in a choice of stylish premium colours.

NEVER HAVE TO REPLACE YOUR OUTDOOR COOKER AGAIN!

You will Never have to ever worry about rusty old BBQ's or dirty fat build ups or cleaning greasy fatty gas cookers, Kamado Cookers do not and WILL NOT RUST away, and we BURN THE FAT AWAY as we cook! They are practically no maintenance with extremely little cleaning required.

NO MORE GAS BOTTLES!

Powered by natural charcoal you will never have to purchase another gas bottle gain simply because it's out of date, or worry about leaky gas leads or leaks, no more heavy lifting and wasting time to get gas bottles refilled. Put your charcoal in the garden, it's a great bio natural product.

WANT TO BE A BETTER COOK, DINNER PARTY HOST?

The Sexy looking Kamado cooker is going to be conversation piece as well as deliver allowing you to cook nearly any menu item you can think of. Because the temperature control is so stable you can relax and enjoy your time with your guests knowing the Kamado is going to make your food taste better and moister.

WANT GUARANTEED COOKING RESULTS?

Use our UNIQUE Maverick ET72 Remote digital cooking thermometer and will **tell you exactly how your meat is cooked, when it's cooked and to your own preference**. Along with extensive online recipes, user manuals, Blogs tips and email questions and help support we will have you wowing yourself with great cooking results.

LOOSE WEIGHT!

Amazing but true! You don't cook in fat on a Kamado in fact it all drips away from the meat and burns away, so when you cook meat especially long and slow cooked its MUCH LEANER that meat cooked on gas flat plate, or in a roasting pan. The controlled diet and exercise plan though is all up to you!

CONCERNED ABOUT OWNING A 'DIFFERENT' COOKER?

Don't be, Kamado's have been around in many formats for thousands of years, in Australia they were sold back in the 70's and 80's and many customers still have their original cookers, we have sold hundreds of cookers in the last few years, and back them with a 25yr warranty, check out our 'testimonial' section of the website.
